WINTER ‘15 BREAK INFORMATION

* PLEASE NOTE: Residence Life staff will conduct safety inspections of all residence hall rooms Saturday, December 19, 2015. This is to ensure that all necessary items have been unplugged and to check for potential fire dangers. Maintenance will also be checking rooms of those who are vacating or completing room changes. Policy violations in plain view will be documented.
If you have questions or concerns, please contact your RLC. For increased security over break and emergency purposes, all residents staying in the halls at any time during the break are required to inform their CA of the dates they will be staying on campus by Monday, December 14th.

Leaving for Break?

- Turn off all lights. Turn heater down (except Canyon) to 55 degrees.
- **Make sure all window(s) & door(s) are closed & locked.**
- Close drapes &/or blinds.
- Unplug items that do not need to be plugged-in. E.G. lamps, radios, alarm clocks.
- Prevent mold growth. Please see below.

If you are vacating the residence halls, you must have completed a Request to Vacate form with the Housing office and be checked out by 10am on Saturday, December 19. During business hours you can check out at the Housing Office, after hours please check out at the Information Desk. You will need to bring your mailbox keys, ID card, and room keys when you check out.

Cleaning Reminders

With the start of a new semester, new residents will be checking into rooms, apartments and suites. It is expected that both your bedroom and your common areas are clean and presentable for new residents. Failure to do so can result in damage charges.

- Clean out the refrigerator and throw away any food that will go bad during the break.
- Dispose of perishable items. Take all waste outside to the dumpster and recycling areas.
- Make sure that all your belongings are on your side of the room and that the room is presentable.

If you stay over the break, be extra aware in your community: make sure building entries are locked, know who is staying on your floor, don’t allow strangers into your living areas.

If you need staff assistance, please refer to the Operation Hours to the left for information on when offices are open. When offices are closed, the Residence Life staff on duty can be reached via cell phone:

24-Hour Quiet Hours

Mold
Coastal Humboldt County experiences more mold problems than drier climates. Mold growth can also occur when excessive moisture is present such as from condensation, leaking plumbing, poor ventilation, over watered houseplants, and poor housekeeping. Residents should promptly report any maintenance conditions that may lead to mold to the Housing Front Desk or Information Desk. A Maintenance request can be completed on your myhousing app.

This winter, please prevent mold growth in the following ways:
- Keep air space between furniture, bedding, and other items and the walls/floors.
- Hang wet articles such as towels and clothing.
- Routinely wipe condensation off windows and other surfaces.
- Avoid creating areas of standing water.
- Keep your living areas clean and uncluttered.
- Use moisture absorbing products such as Damp Rid.
